AT LYTLE LAKE

CENTERED AROUND CARE

Specializing in recovery
between hospital and home.

OUR COMMUNITY

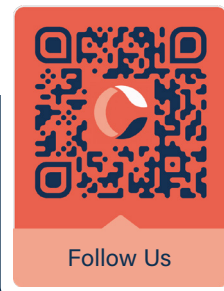

At Brightpointe at Lytle Lake we provide compassionate rehabilitative care to get patients back to their highest level of function and independence in a welcoming, home-like environment. Our therapists work closely with patients and their families to ensure their goals are achieved for all lengths of stay. We understand that small details can make the biggest difference and aim to make each day better for every patient.

We offer 24-hour comprehensive care with an in-house therapy team, with no outsourcing of staff. We are Medicare and Medicaid certified and accept most major insurances. Our goal is to provide superior patient-centered care, rehabilitation, and wellness to reduce rehospitalizations and optimize physical function. Our secured community offers an array of amenities and life enrichment activities to ensure patient stays are comfortable and productive.

24-Hour Comprehensive Care

Our team is here to help with patient needs around the clock for all levels of care.

Our focus is on the rehabilitation of patients to continue their lives as independently as possible.
